LUNA ROOF BAR

L's Uniquely Nightly Affair

L Hotel Seminyak's iconic **Luna Roofbar** is situated on the rooftop of the hotel, with great views of the sea, paddy fields and Seminyak. A true destination dining & chill out experience for party goers. Our signature cocktails brings you the Unique Drinking Experience mixed by our in-house mixologist.

As a multi-disciplinary F&B venue serving exquisite modern Asian & Western tapas & sharing portions, the mood is distinctly chic yet sexy. Here, open kitchens are underscored by a traditional Tandoori oven, including grill and wok stations where a team of experienced chefs work to contribute to an invigorating communal dining and social snacking at Luna.

Tucked aside in the open kitchen area is **L'Tandoor** created by **Mama L**. Christened after our founder, a traditional Punjabi homemaker who has been preparing, marinating and cooking the tandoor for large Punjabi families both in Punjab and overseas, **L'Tandoor by Mama L** has been specially created and delicately marinated, to taste wholesome, healthy and for your enjoyment. Here, Indian-accented dishes, are offered in set menus or individual portions and served on traditional Indian brass and copper pots. Set meals come with a mixture of chicken tikka, tandoori prawn, dal, naans, vegetarian pakoda assortments and lamb curry.

Using a farm to table approach, our culinary uses locally sourced ingredients and spices to prep up the cuisine.

SEMINYAK BALI

Our very exquisite beverage list features a dedicated array of modern cocktails and classics conceptualized by our esteemed team of mixologists. Our concoctions based around Asian influences like lemongrass, palm sugar, chillies, ginger, cinnamon, and cardamom; we also take advantage of locally and organically-grown fruits and greens from Kintamani to the north to add to the mix.

Cocktails are kept chic and refined, allowing the spirits and key ingredients to speak for themselves, eschewing today's style of an inventive, muddling mix. Our signature cocktails will delight the guests with international classics with an Asian twist such as signature L Hotel's cocktails like **"Platinum Palace"** (Bacardi 151, Gordon's Gin, Pineapple, Mint, Lime), **"The Twilight"** (Skyy Vodka, Chambord, Berries Sugar Puree) and **"Luna Aqua"** (Bombay Sapphire, Cointreau, Blue Curacao, Lemon)

Breakfast is equally tantalising here and touted with praises for the variety, taste and art of presentation. You can mix and match your breakfast items from an expansive breakfast menu. All prepared a la minute.

Breakfast main course selections include Stir-fried Wagyu Beef with oyster sauce served over jasmine rice, Nasi Goreng and Bubur Ayam; the egg selection deserves thumbs up especially the eggs ala Putu and Eggs Benedict, our house specialties, as well as scrambled eggs with chorizos, sundried tomatoes, salmon, spinach and more. They are all prepared à la minute and served fresh and warm.

Information

Luna is open from Breakfast to 12AM daily - it is an awesome and chic rooftop venue to graze on sharing tapas drawing from European and Asian flavours as well as to sip inventive cocktails.

KITANO

In an exclusive corner of L Hotel Seminyak's Roofbar sits **Kitano**, an alluring teppanyaki experience where our team of chefs' skilled dexterity and showmanship is a crowd puller – a superb offering of scallops, red snapper, jumbo prawns, wagyu beef and more – combine to create a highly pampering **kappo** experience. The idea of **kappo** originates from Japan, where the chef and his team work from behind the counter and prepare the dishes in front of customers thus creating a visual and olfactory spectacular experience. Serving the food directly to the diner across the teppanyaki table creates a personalised and intimate experience. A premium range of Sakes are available on hand to complement the teppanyaki selection.

Kitano - a lovely and historical district in Kobe, Japan, where foreign traders built houses in a variety of foreign styles ranging from baroque to gothic during the early Meiji and Taisho periods has much sentimental value to the owners behind L Hotels & Resorts, whose foremost business was in Kobe dealing in textile trading. Generations have continued to live in Kobe, hence the teppanyaki concept has been named for the beautiful reminder in Japan.

Information

Kitano is open from 5pm to 10.00pm daily – an authentic teppanyaki concept on our rooftop

LOLA

Inspired by the sweet-natured comic drama “Whatever Lola Wants,” the birth of L Hotel’s very own gastronomic restaurant Lola was created to embrace the female femme fatale icon of a vivacious and charming lady whose beauty and persona is irresistible. Related to cuisine, Lola exudes this culinary palate of authenticity and tastes through our serving of delectable Indonesian flavours, in particular appetizer combinations take the helm at Lola, with staples like “Asinan Jakarta” (Jakarta style crispy vegetable served on pineapple carpaccio), “Indonesian Sampler” (chicken satay, grilled fish with balinese sambal and Asinan Jakarta), “Soto Ayam” (Yellow spicy shredded chicken soup with vermicelli noodles served with chili sambal) and favourites such as “Perkedel Kepiting” (Crab Cake with Dabu-dabu Sauce), and Salada Mangga Udang (Prawn & Mango Salad)

Lola is located on the mezzanine level. Poised as a cozy, intimate and casual restaurant featuring **The Art of Indonesian Cuisine**, for lunch or dinner, her a la carte menu delights with raving tasty Indonesian dishes using only local ingredients of the best quality, which make her distinctive from the rest. Other star attractions include “**Ayam Bumbu Kecap**” (Wok-fried chicken in sweet soy sauce), “**Sapi Asam Pedas**” (Grilled marinated beef tenderloin with chili tamarin sauce) to many other delicious dishes like “**Ikan Bakar Jimbaran**” (Jimbaran style grilled mahi-mahi) and “**Ikan Kukus**” (steamed filled snapper on sauteed bok choy, mushroom and fresh ginger).

The concept of Lola showcases culinary as an intimate and quintessential dining experience, giving the diner the impetus to engage with Miss Lola, our gregarious ambassador & greeter, as well as savour and discover the heritage and authenticity of Balinese living. Those who desire International cuisine can look forward to Lola’s tasty cosmopolitan ala carte menu with distinctive International dishes too.
