L HOTEL SEMINYAK WINS “BEST OVERSEAS HOTEL OF THE YEAR 2015” BY THE BEST DESIGN HOTELS AWARD IN SHANGHAI 2015

Bali, 22 March 2015- L Hotels & Resorts is pleased to announce her latest accolade “Best Overseas Hotel of The Year 2015” awarded to her flagship L Hotel Seminyak in Bali at the annual “The Best Design Hotels Award” held the Ritz Carlton Shanghai, Pudong recently in January 2015.

This prestigious award presentation is in its 6th year, primarily aimed to recognize and pay tribute to boutique hotels with good design in both architecture and experience. This year's theme is based on “Intellectual Shape and Delicate Mind”. In the past, the award focuses on giving honours to more than 400 hotels over Greater China, but has now open up to include overseas properties, outside China.

The judging process was based on 50% voting by the judging panel (comprising of prominent Chinese architects like Mr Liang Jing Hua, Mr Hao Lin, Mr Li Ying to artists such as Fashion Designer Ms Li Hongyan, Pianist Mr Zhao Yinyin, artist Ms Cui XiuWen and Designer Mr Lv YongZhong) and the remaining 50% was voted by public through we-chat and weibo.

For the overseas hotel award category, the editorial team of the award organizer will first research on the property and provide their views, thereafter,

the professional judging panelists will make their vote. The judging criteria is based on architectural style, interior décor, unique personalized elements, facilities and services to location and guest experience satisfaction.

The structure of this Awards is categorized into “ Hardware Design”, “Experience Design” and “ General Awards”.

“We are proud of this winning and it will certainly allow the L Hotels & Resorts brand to gain better recognition amongst the China market. L stands for “Live Life”, the hotel's epitome of embracing Life and the key feature is personalization in every frontier of the Brand's innovation and service delivery.” remarks Adeline Quek, Director- Brand Management, Sales & Marketing.

Creating a unique experience, complementing the heritage of the place with designer interiors is a strong DNA for L Hotel Seminyak. Including the highly praised Personalised Butler team whom guests have so far appreciated and return again and again to their 'home' here to be pampered by our distinguished butlers.

“Our butlers are trained, in addition to their experience, to serve with attention, dedication and to tailor make individual experiences that create memories” says Adeline.
