## **L Hotel Seminyak Receives a Certificate of Excellence from TripAdvisor**

Bali, 7 July 2015 ---TripAdvisor has awarded L Hotel Seminyak a 2015 Certificate of Excellence as a result of consistent positive reviews from TripAdvisor travellers. As the quintessential boutique hotel located in Seminyak with the hippest address in Bali, L Hotel was unveiled just two years ago. Consisting of 30 suites with a contemporary and chic design, L Hotel Seminyak accentuates the tradition of a destination and has combined it with modern aesthetics to create an exclusive, private and unique property.

“As a small luxury property and member of Small Luxury Hotels of The World (SLH), we proudly deliver the ultimate invigorating Bali experience with personalized service and surprises for all guests. Our effort has finally paid off, with guests appreciate us arranging a local mobile phone number to little touches like having a gold fish to accompany single travellers, a pillow menu, unique personality tea to other elements and amenities which one does not commonly experience. We are delighted to receive this Certificate of Excellence from TripAdvisor. Providing enriched experiences is paramount, therefore, we strive to take personal service to the next level by offering discerning travellers a refreshing, intimate and engaging perspective of new-age hospitality,” remarks Brand Guardian, Adeline Quek.

“We really love our room, it’s really stylish and comfortable. They even have pillow menu which I’ve never seen before in other hotels,” shared Kartikalin, one of L Hotel Seminyak’s satisfied guests.

“The L team takes pride in going the extra mile in service, offering, personalisation to food and beverage. Our butlers, the hallmark of our Brand, exceeds the ordinary level of servicing guests. All guests’ feedback, needs and concerns are taken as priority and we believe in winning our guests through our sincerity, warmth and willingness to improve, and delight them,” remarks, Ana Dewi, The General Manager
